Thanks to all who made our Dinner Dance an enjoyable evening. The Grand Prize Winners and the past year's winners are listed on the back.

This year marked the 30th year of the 300 Club. It raised over \$12,000 for the Parish. This money was used for a "wish list" of things that the parish needed – but which the budget could not afford. We paid for new blinds for the rectory and the *Parable* subscription. We continue to award scholarships to our students who are active in parish ministry throughout their high school years. We hope to annually make these scholarships. We are looking into funding a fall "retreat" this year. We thank you for making all these "wishes" come true for Fr. Don and the Parish.

Over the past 30 years the Club raised over \$250,000! The following is a small list of what the Club has help pay for:

Fifteen cemetery stones for infants in our cemetery who had only but a rusted piece of metal with their name washed out, baptismal font, street sign, new sound system, the flower garden and shrubs, parish retreats, TV for church hall, inside Christmas manger, ads for the Pregnancy Center in the bulletin, a donation to the Children 's Christmas Store, painting the outside of church, the big advent wreath, votive stands, major renovations at the rectory, gifts to our clergy for the Year of the Priest, the church security system and, before we moved into our new church, many major renovations to our old buildings. The list is just too long to mention everything, but members of the 300 should be proud of what they have accomplished throughout the years and what they continue to do. THANK YOU SO MUCH! We hope you will join the Club this year and help us continue to support this very important parish Fund Raiser.
